Dear David Barthelmy

We apologise that we have had serious problems with our server.

We are pleased to say everything is now fixed.

Because of the problems we have restarted the **Tsumeb Auction** which will now finish on 29th June at 23:00Hrs GMT.

Ste Marie Show was excellent, many new specimens and auctions will be arriving shortly.

Thanks again for your support, we hope the problems of the last month are now behind us.

Best wishes,

Mark Wrigley
