**Subject:** website updates at Dan Weinrich Minerals

Hi! I have just added approximately 30 superb specimens to the website. Excellent California golds, outstanding silver minerals from Europe, other neat classics. There is also a rutile from Austria and a tourmaline from Burma - both absolute "killers". The address for this update as follows:

Do not forget the Auction that closes tomorrow night at 7 p.m. eastern standard time. Plenty of great specimens are currently going very cheaply!
