Just a reminder that the auction closes tonight at 7 p.m. eastern standard time. There are plenty of great specimens available, in all size ranges. Surprisingly there are several items currently without bids; also some great aesthetic specimens going very, very cheap .....

I am working on a sizeable update for the website, which should be ready in the next couple of days. I will send out another announcement when the specimens are posted. The updates will include a great mix of interesting specimens, as well as some fabulous new brilliant red liddicoatite/elbaite specimens from Vietnam!
