**Subject:** The auction is back

Hi Everyone, I just got back from Brazil in time to turn the auction on today. John, Dave, Charlie, et al are still having fun eating cheeseballs and picanha while learning to say um cerveza, por favor and um chopp, por favor. I joined the official tour for about 3 days and had a blast in Governador Valaderes, etc. So, check out the auction at

[www.mineral-auctions.com](http://www.mineral-auctions.com)

The auction lasts from noon today to 8 pm CST on Monday, July 31st.

Take care,

Keith
