Subject: website updates at Dan Weinrich Minerals

* I have just added 15 specimens of ***liddicoatite/elbaite from Vietnam*** to the website. These are from a very limited find last winter, and represent one of the most important new finds over the past year or two.

* Do not forget that the ***auction closes tonight*** at 7 p.m. Eastern Standard Time. Plenty of great specimens, as well as several lots of specimens, are available.

* We are very busy preparing for the upcoming ***Springfield, Mass. show, August 11-13***. We will have over 100 flats of great specimens at 50% off, as well as two large showcases full of superb specimens. We look forward to seeing you there!
