Subject: New Multi-Dealer auction

Greetings from Denver!

I am here with many other mineral enthusiasts enjoying the 2006 Denver Show.

There is a new multi dealer auction posted that will start today and has 74 specimens up for your consideration. Brazilian gem and mineral dealer Luciana Dias Barbosa is now actively posting specimens to the auction. She has been a fixture with her father for years at the Tucson and Denver shows and features fabricated items such as rare gemstones, carvings, polished items and minerals.

This auction starts this morning and will start to close September 18 at 8:00 PM CDT (20:00).

If you would like to be removed from this list just reply with the word remove.

Thanks,

Keith Hayes
