Hi David:

You are receiving this as you are registered bidder at mineral-auctions.com

There is a multi-dealer auction that will be closing September 22nd at 8:00 PM CDT. There are still many excellent bargains up for your consideration.

There is also a new auction with 32 of my specimens in it in the "special auction" site. This is the last auction I will be conducting for a while as other dealers will be posting their own solo auctions in the coming months.

This auction will be open for bidding from 6:00 AM CDT later this morning and will start to close at 8:00PM CDT on September 25th.

If you would like to be removed from this email list and have your auction registration removed simply reply with the word remove in the subject heading.

I will get the message and do what needs doing to make sure you don't hear from me or this site again.

Thank you for your interest,

John Veevaert
