Subject: website updates at Dan Weinrich Minerals

I have just added 32 mixed specimens of excellent quality to the website. This update includes many fine classics (several with old labels), gem crystals, and unusual species.

Do not forget that the auction closes tonight at 7 p.m. eastern standard time. There are many great buys to be made this week!

Thanks to everyone who made the Denver Show a lot of fun and a great success. We look forward to seeing you in Munich!
