Subject: website news at Dan Weinrich Minerals

Just a reminder - the auction closes tonight at 7 p.m. eastern standard time. Plenty of great specimens are currently available at ridiculously low prices

See me at Munich, stand B2-432, November 3-5.

After I return from Munich I will begin regular updates again. It has been difficult lately due to my heavy travel schedule, and the fact that my new home has been under constant construction. All should return to normal after Munich.
