Message to store customers and registered mailing list members

Update number: #64/2006
Date: 7.11.2006

Dear David ,

after short break we are back with new update,58 new specimens has been added to our shop and is now available for sale.Update includes Prehnite with Epidote,Copper and Cuprite from Dzezkazgan,Rutile with Hematite from Brazil,Chrysocola and Malachite from Congo and some other assorted specimens as Fluorite,Tourmaline,Quartz,etc from China and Pakistan.Hope you enjoy it !

Last couple days there are some problems with database server,site is sometimes during day slow and return errors,it will be hopefully resolved very soon,we know about this problem and already reported to our hosting provider,sorry advance for any inconvenience.

Recently we have made some new improvements as listed bellow,hope it helps to browse and search in our shop.

- Specimens listing may be ordered by price,date of insertion or popularity
- Specimens are now listed as gallery view
- New statistics site with index of minerals including quantity of current specimens,size,etc.
- Paypal gateway and direct payment feature available
- Direct purchase link for quick ordering of single specimenand some more.If you meet any problems or disfunction,please let us know.Thank you.
