Subject: 2006 Munich Show

Greetings:

I have just returned home from a 10 day trip to Munich and the 2006 Munich Show. I have 5 reports posted on what was new at the show and will be unpacking and photographing specimens for posting the web in the coming week around the 15th of November. In the meantime you can see what was new at the show by visiting:

If you would like to be removed from this list you can do so by visiting:

There you can add or delete your email address from the various email lists I use.
