**Subject:** website updates at Dan Weinrich Minerals

\* I have added 37 miscellaneous specimens to the website, these coming from several recently acquired collections. Some nice stuff in this update!

\* All of the specimens remaining in the Gene Tribbey collection galleries are now on sale. These will be offered from 30% - 50% off the listed prices until December 2, 2006

\* Just a reminder that the auction closes on Tuesday night. There are some great specimens this week that are going very cheaply .....
