Subject: ** Tucson Rooms Mineral Sale! **

Holiday Greetings!

With the end of the year coming soon, I am reorganizing the website and the various mineral rooms and planning to close out the Tucson 2004 rooms. I also discovered that the Tucson 2003 rooms, which have been unavailable to the website for quite some time, still have a large number of specimens available. So to clear up older inventory, I'm going to reintroduce the Tucson 2003 rooms for a short while and offer 40% DISCOUNTS on every item there! If you're a dealer and would like to purchase the entire stock of these rooms, let me know and we'll work out a package deal. I'm also going to offer 35% DISCOUNTS on all the Tucson 2004 specimens and these discounts will only last for a short time until I shut these rooms off for good.

The Tucson 2003 rooms cannot be accessed through the website. To purchase these items at 40% discounts off the listed prices, follow this link:

The Tucson 2004 rooms will be open at a 35% discount for only a short while longer. These rooms can be found here: <http://www.exceptionalminerals.com/tucson2004.htm>

Also, don't forget to visit Mineral Auction #108 located at:

Best wishes to all!

Kevin
