Subject: website updates at Dan Weinrich Minerals

Today I have added the following to the website:

- * 40 top quality pieces, including many fine gem crystals and old-time classics
- * Another lot of inexpensive and attractive specimens from Yaogangxian, China

Look for a new "sale gallery" of good quality specimens to appear sometime later today or tomorrow. Specimens will be offered at discounts up to 50% off.

We are also working on adding more inexpensive thumbnails, plus many hundreds of other good pieces. These will appear soon.

We would like to wish everyone a safe and prosperous New Year!
