Subject: Mineral Specimen update

Greetings:

I have posted 19 specimens obtain in Tucson from Herb Obodda. All interesting and high quality specimens.

<http://www.trinityminerals.com/new.html>

Also I was asked to post a note about some important minerals from the John Lucking collection that were apparently stolen right after the close of the Main Show in Tucson. There is a link to read more about these minerals in the above page.

If you wish to be deleted from this mailing list simply visit:

<http://www.trinityminerals.com/email.shtml>

where you can add or delete your email address from the various lists I use.

Thank you for your interest,

John Veevaert
