Subject: website updates at Dan Weinrich Minerals

I have added 155 new specimens to the website this week:

- * two different mixed groups of specimens priced from \$125 and up; these include many fine old-time classics
- * 8 beautiful new cobaltian dolomite specimens from the Congo
- * 36 interesting specimens, several rare species, all priced from \$6 - \$100
- * 51 new auction specimens

There are currently 768 searchable specimens on the website - there is something for everyone!
