Hi Everybody,

We are really sorry for the prolonged outage of our websites today. It was caused by a serious network failure within our ISP, which was cleared just recently.

We will continue with the close of **Auction 133** tonight at **23:00Hrs GMT**.

We appreciate the reduced amount of time left to bid, but there is still nearly 4 hours to place a Delayed Bid and 7 hours before the auction closes. Perhaps it might work to your advantage!!

And we will start Auction 135 24 hours later at 18:30Hrs GMT **tomorrow** 22nd June.

Auction 134 is running normally, once again apologies for the inconvenience.

Best Wishes
Mark Wrigley
