**Subject:** website updates at Dan Weinrich Minerals

- \* I have added 24 new specimens to the website. A real mix of things, some quite unusual, priced from \$15 - \$7500. There is something for everyone.
- \* The auction closes tonight at 7 p.m. eastern standard time. Some excellent things are currently going very cheaply
- \* I will update the site again later this afternoon with a choice set of 9 new pink fluorapatite specimens from Brazil.
