Subject: website updates at Dan Weinrich Minerals

During the past several days we have added over 60 new specimens to the website.

- * rare species and inexpensive reference specimens
- * unusual fluorite from Kentucky
- * neat gemmy twinned calcites from Madagascar
- * a set of 12 "high-end" specimens of excellent quality

Do not forget that the auction closes Tuesday evening, July 3, 2007, at 7 p.m. eastern standard time.
