Subject: website updates at Dan Weinrich Minerals

- * Yesterday we added 24 new specimens to the website. A few classics, specimens from the Gene Tribbey collection, etc.
- * The auction closes tonight at 7 p.m. eastern standard time. There are specimens for everyone in this auction, including a few high quality "upper end" specimens.
- * Look for more updates later today and tomorrow - more Tribbey specimens, "high end" specimens, inexpensive thumbnails, etc.
