**Subject:** updates at Dan Weinrich Minerals

We have just added 55 new specimens to the website!

- \* a suite of 16 miniature specimens from the Southern Illinois fluorspar district, all from the Gene Tribbey collection
- \* a good mix of 39 display quality specimens, unusual or rare species, including some "type material", etc.
- \* 56 new specimens are now posted for auction

See us in Denver, either at Dave Bunk's warehouse show (wholesale) or at the Main Show, room J-37 (retail).
