Subject: Broken link

Welcome to Wrights Rock Shop

I wish to apologize but Constant Contact has a broken link. I am resending the e-mail.

I am so sorry, but I have already had so many requests to correct the link. Rersending the e-mail was the only method that I knew that would correct the error.

I updated Gallery 5 with red quartz, linarite, druzy quartz stalactites, cobaltoan calcite, scheelite, andradite, jeremejevite, manganese nodule, and others on 8/30/07.
