Subject: New Chinese Gallery 2 and Gallery 17 Uodate

Welcome to Wrights Rock Shop

I updated Gallery 17 with orange quartz; calcite, aquamarine/heliodor, Ocean Jasper, chryscolla eggs, seraphinite eggs, beta quartz, larger mimetites and others on 11/12/07.

I updated Chinese Gallery 2 with fluorite, pyrite on fluorite, calcite, kesterite, malachite, azurite, sphalerite in quartz (totally new minerals with very reasonable prices) on 11/12/07.

Many minerals - orange quartz and strontianite - may be the last that I have.

Please remember that you are a member of Wrights Mineral News for your 10% discount.

Chris
