Subject: Lepidolite over muscovite, rainbow hematite, and others

Welcome to Wrights Rock Shop

I updated Metaphysical Galler 1 with rainbow hematite, selenite, Australian tigereye, calcite, vanadium uvite, lepidolite, lepidolite with muscovite, spinel, and others on 11/17/07.

I have had numerous request to update this gallery. The rainbow hematite and lepidolite over muscovite are lose to my last pieces.

Please mention that you are a member of Wrights Mineral News for your 10% discount.
