Subject: Crocoite, Autunite, Etched Elmwood Fluorite and others

Welcome to Wrights Rock Shop

I created Classics Gallery 2 with crocoite, etched Elmwood fluorite, fluorite, adamite, apatite, selenite, autunite, galena, sphalerite on calcite (China), chalcopryrite, pyromorphite from Les farges, France, millerite, wulfenite, and others on 1/14/08. The crocoite, autunite, pyromorphite, and others are from flats that had been not touched since the 1970's.

This new gallery has many interesting older pieces.

Please remember to mention that you are a member of Wrights Mineral News for your 10% discount.
