Greetings!

I have only one more week to ship out orders before departing for Tucson, AZ so we're down to the final seven days of the big mineral sale. All specimens on both websites are 20% off their listed prices and many carry 25% or greater discounts! Remember, this sale applies to every specimen in every mineral room - even the Exceptional Mineral Rooms!!

So far, the response to our 11th Pre-Tucson Sale has been incredible and the sold signs in the mineral rooms are proof of that. Fortunately, there are hundreds (if not thousands) of quality specimens still available and ready to find new homes. The selection is wide and varied in all sizes and price ranges.

The following have been the most popular rooms during the sale. Check them out!
