[Join Our Mailing List!](#)

Dear Dave,

This edition of our newsletter is fairly short. We are heading to Tucson for the annual Gem and Mineral Fair, and will be away from the office until February 25th, when we will ship any outstanding orders to you. We will still be in email contact and will check our phone messages daily.

While we are away we'll keep you informed of some of our purchases and also some of the more interesting exhibits we come across.

Our newsletter promotion continues, with the chance for one lucky subscriber to **win a US\$5,000 store credit.**

You may also want to check out the Useful Links on our website.

Best wishes

Susan and Bruce

NB: If you are having trouble displaying the images in this newsletter, you may need to click the 'display content' link at the top of your page. Also, adding our email address to your address book will in many cases solve the problem.

Tucson

We are currently making our way to Tucson to attend the Gem and Mineral Fair. We expect to come back with a range of new specimens to whet your appetite. In the interim our newsletter will contain highlights of our Tucson trip and some of our new purchases. We remain in email contact at info@aamineralspecimens.com, and will check our phone messages daily on +61 2 99809 9815.

Don't forget our competition!!

Subscribers to our newsletter as of midnight (24.00hr), 30th April, 2008, Australian Eastern Standard Time, will be in our draw to win a **\$5,000 store credit** on our website. If you are not a current subscriber and wish to subscribe, just

- send an email to news@aamineralspecimens.com with 'subscribe' in the subject line or
- go to <http://visitor.constantcontact.com/email.jsp?m=1101935835610> and leave your email address or
- go to our website and click on the 'join our mailing list' button.

Conditions are set out on our ['What's New'](#) page at <http://www.aamineralspecimens.com/servlet/the-template/whatsnew/Page>

Useful Links

Check out our [Useful Links](#) page at <http://www.aamineralspecimens.com/servlet/the-template/favoritelinks/Page> provides links to useful information for mineral enthusiasts, including:
