Greetings!

This week has taken a flying start.

If you have not visited us yet, we have already uploaded 2 new Seller page updates,

One from Chagas at **Brazilian Minerals** offering some excellent specimens from there.

The second is Christian Rewitzer's **Rare & Aesthetic Mineral** page;

Between them there are 51 BUY NOW items on offer.

There are three auctions closing this week, the first close **Tonight** is **Auction 192** at **23:00Hrs UK Time**.

Finally new **Auction 194** starts at **18:30Hrs UK Time**.

Hopefully worth a visit!

Best Wishes
