Greetings All,

Over the past several years, we have purchased a number of private book collections and several entire libraries, including many volumes from the libraries of Charles and Marcelle Weber, Pete Dunn, Al Sebela, Lou Perloff, Julius Weber and many others. Beginning this month, we will offer an abbreviated list of 100 to 150 titles from these libraries, with prices ranging from as little as \$5.00 up to \$50.00. Many are one-of-a-kind, and all are subject to prior sale. Prices are in US dollars and do not include shipping.

Please review the attached Excel document and place your orders promptly. All items are first-come, first served.

Good Luck!
