Good morning from Thames Valley Towers!

A Saturday morning email to let you know that our special **Dalnegersk Auction** from Pauli's Minerals is closing today at 23:00Hrs UK Time.

Pauli has listed some really nice items which are no longer that easy to find.

Also online today, **Christian Rewitzer's Auction of Spanish Minerals** has just started.

Plus there is a TVM Seller Page listing of **Bulgarian Minerals** available on the TVM website.

So no less than 3 Regional suites of minerals in one weekend - who needs the football?!

Have a good Week End!

Best Wishes  
Mark Wrigley
