Subject: New Excalibur List #20805 Ready!

Greetings All,

Attached is our latest mineral list, as well as an Excel file of another book selection of approximately 170 titles from various libraries we have acquired over the years. We have also added over one hundred new images to our Photo Gallery shopping site, so browse, browse, browse!

As usual, all items from our lists are subject to prior sale, and orders are filled first-come, first served; alternates are appreciated!

Enjoy!
