Subject: Scolecite, Apophyllite, arsendesclizite and others

Welcome to Wrights Rock Shop

I updated Gallery 11 with scolecite and apophyllite, benitoite, wavellite, aquamarine, calcite on fluorite, rutile, demantoid, malachite, and others on 7/25/08

The scolecite, apophyllite and stilbite are especially good.

Please remember to mention that you are a member of Wrights Mineral News for your 10% discount.
