Subject: * The Exceptional Mineral Rooms are Updated! *

Greetings!

With many of us on vacation, including myself, I took some time this week and updated all twelve Exceptional Mineral Rooms. I also removed sold items and organized the older specimens in order to make viewing easier and quicker. I think the new format works much better now and the mineral specimens are incredible! These are the finest, highest quality minerals we have on the website (over 200 specimens), all pulled into twelve rooms for your convenience. I think you'll like what you see!

The Exceptional Mineral Rooms begin with this link:

All reasonable offers are welcome and as always, layaway purchases are available. Please e-mail if you have any questions. By the way, I'm also offering discounts on the older specimens so you may want to ask about that.

Enjoy the Update!

Kevin
