Subject: New Auction Specimens

Hi! New auction specimens are now posted.

This week features many neat things, including some very nice thumbnails, a beautiful chrysocolla, cerussites, wulfenites, a legrandite, beryl, etc. We are "dipping" into several recently acquired collections for these.

More regular updates coming in the next few days, including Minette smithsonites, southern Illinois fluorite, etc.

Dan & Diana Weinrich
