Subject: * UPDATE* The 1st Denver 2008 Rooms Are Online!

The *First Update* for **Denver Show 2008** is online and ready to go!

Update #1 will feature over 40 mineral specimens from the show, and this includes some incredible Rhodochrosites, gem minerals, Fluorites, Calcites, Silver and Gold, and famous collection pieces! I think everyone will be happy with the first two mineral rooms and many more are on the way.

The links to the new mineral rooms are located here:

All offers are very welcome and as always, layaway purchases are available. Please e-mail if you have any questions. I will try to bring a new update online every week to ten days.

Enjoy the beautiful new minerals!

Kevin
