Subject: * * First Ever Keystone Mineral Sale - Round 2! * *

Greetings!

Announcing Round #2 of the Keystone Mineral Sale!

The first week of the keystone mineral sale was incredibly successful and helped dozens of specimens find new homes. I've now decided to run a second offering of half price mineral specimens for all list members. This weekend, I went into the stock room and pulled out well over 200 fine mineral specimens and created **NINE** new Sale Rooms! Everything is online and ready for browsing/shopping and just like last week, every specimen is on sale for 1/2 of the listed website price! **If you see an item that you like priced for \$500, the sale price is \$250!**

Here's the beginning link to Sale Room #18, the first of the new mineral Rooms. Please use the link at the bottom of every page to click on through to Sale Room #26.

Please e-mail if you have any questions. Thanks!
