Hi All,

I have been suffering from an unknown bug this week!

I promise normal service will be resumed soon.

Today our second scheduled auction, **Auction 271** is about to start at 18:30Hrs UK Time.

In this one there is a spat of Radioactive minerals and BUY NOW offers.

Later on **Auction 269** will start closing **at 23:00Hrs Server Time.**

Behind the scenes we are busy working on our new e-Rocks website, more details to come soon.

Cheers

Best Wishes
