Subject: Bunker Hill Pyromorphite, Azurite on Fluorite, others

Welcome to Wrights Rock Shop

I updated Gallery 23 with Bunker Hill pyromorphite, fluorite, azurite on fluorite, herderite, calcite, calcite psuedomorph, quartz, red quartz, azurite, manganocalcite, and othersa on 10/31/08.

The azurite on fluorite has not been found since this one find. The minerals are from locations that are closed or presently have limited production.

Please remember to mention that you are a member of Wrights Mineral News for your 10% discount.
