Subject: Pyromorphite, cavansite, barite, calcite and others

Welcome to Wrights Rock Shop

I updated Classic Gallery 3 with barite, barite on quartz, Japanese twin calcite, pyromorphite, hematite on quartz, cavansite, manganese nodules, epidote, hematite in quartz and other on 11/19/08.

I added a varying price range with the cavansite. Also, I will be adding a Tsumeb Gallery 2.

Please remember to mention that you are a member of Wrightsr Mineral News for your 10% discount.
