Subject: Excalibur List #20808 Ready!

Greetings All,

Attached is our latest mineral list in Word document format, containing the usual assortment of new species, one of a kind specimens and collectible minerals. Included here as well is an Excel file with a new book list containing items from the libraries of Julius Weber, Lou Perloff and others. As usual, all items are first come - first served, and subject to prior sale, F.O.B. our warehouse. Shipments from this catalog will begin on December 1, processed in the order received.

As we close out our 35th. year in the business, we wish you all a Happy Thanksgiving and a healthy and prosperous year to come.
