Subject: ** Update - Half Priced Mineral Sale! **

I wanted to remind everyone that tomorrow (Monday, December 8th) is the final day for the Keystone Mineral Sale. After that, all prices return to their regular listings. I encourage everyone to take one last look at these mineral rooms just in case you've missed something you can't live without. Ya never know...

And now for some good news - With the ending of the Keystone Mineral Sale and its huge discounts, **I've decided to raise the discounts in the Tucson 2008 Mineral Rooms to 50%!** In this way, the half price sale doesn't really end, it just shifts to some newer mineral specimens in some newer mineral rooms!

Remember, **the sale prices are half of the prices listed on the website!** It doesn't get much better than that for fairly recent mineral specimens. I really need to clear some inventory though so please take advantage.

Thanks again and best wishes during the Holidays!

Kevin
