or see it on the MSA website at:

<<http://www.minsocam.org/MSA/ammin/toc/2009/Jan09.html>>####

There are now both low- and high-resolution versions of articles. Conserve bandwidth. Use the low-resolution to read a paper onscreen or print a copy.

[2] New Reviews volume: v. 69, "Minerals, Inclusions And Volcanic Processes". Description and Table of Contents at <<http://www.minsocam.org/MSA/RIM/Rim69.html>>. There are links there (1) to programs for calculations discussed in the book and (2) to a collection of teaching activities on the topic compiled in collaboration with the "On the Cutting Edge" program for undergraduate faculty development in the geosciences.

[3] "Diamonds of Siberia: Photographic Evidence for Their Origin" by Z.V. Spetsius and L.A. Taylor is available through MSA. Description and ordering at <<http://www.minsocam.org/MSA/tranquilitybasepress.html>>.

[4] June 1 is the deadline for submitting nominations for the 2010 MSA awards and honors - Roebling, Dana, MSA Award, and Fellows. More information and nomination procedures on the MSA home page <<http://www.minsocam.org/>>.

==>>> Council approved a criteria change for the Dana Medal. The Medal is intended to recognize sustained outstanding scientific contributions through original research in the mineralogical sciences by an individual in the midst of his or her career who has not been

previously recognized [for his/her achievements-remove] as a recipient of the MSA Award.
