Hi All,

Greetings from a cold damp and sleeting Thames Valley Towers.

Today marks the close of our **Christmas Cracker Auction** that has been featuring on the website for the last 2 weeks.

If you haven't looked there are 60 selected specimens from Christian Rewitzer and TVM - some super photos.

The auction is set to close at 23:00Hrs UK Time tonight.

A little later we will be starting an auction from Chris Spiromitros (Greek Minerals,) you will see this on the homepage shortly.

But first a trip to the Science Museum with the children!

Best Wishes
Mark Wrigley
