Subject: Hessonite, Chalcanthite, Uvarovite, and others

Welcome to Wrights Rock Shop

I created PreTucson 2 Gallery with pargasite, moonstone, red beryl, calcite, conbaltoan calcite, hessonite, turgite, fluorite, rhodochrosite, adamite, copper after aragonite, chalcedony after aragonite, uvarovite and others on 1/21/09.

On my way to Tucson, I picked the remainder of my lot of rosasite today. I will try to post the specimens on Friday.

Please remember to mention that you are a member of Wrights Mineral News for your 10% discount.
