We have added 45 new specimens for auction this week. Some of the items include a good salammoniac, tourmalines, "iron rose" hematite from China, a neat Russian gwindel quartz/calcite, Tsumeb cerussite, English barite, a beautiful annabergite from Greece, neat thumbnails, rare species such as baratovite, bultfonteinite, and londonite, plus many others.

Look for us in Tucson - now in Three Locations! Inn Suites Lobby (wholesale), Westward Look Show(top specimens), Convention Center - Main Show.
