The Superior Galleries Mineral Auction results are in!

The auction has now concluded and I want to thank everyone who took part and congratulate all winning bidders! Some of the highlights of the specimens that found new homes are:

Three fine wire Silvers from Freiberg
Both of the Eagle's Nest crystalline Golds on Quartz
A museum quality Russian Silver on Acanthite
A gorgeous Diopside crystal with Calcite
Gem Emerald on dark Calcite
Rare Pala Princess Morganites
Museum quality Covellite on Pyrite
Rare Green Beryl with Fluorite plate

And much, much more! We had a great response and I hope everyone enjoyed the auction process. This week, all specimens that did not sell in the auction or didn't meet the reserve price will be returning to me at the Westward Show in Tucson. I invite everyone who missed out on the auction to come by my room #243 and see the new specimen display and work up a deal on the returning auction specimens. Also, if you missed out on an item in the auction, please send me an e-mail and I'll let you know if it's still available. All prices are negotiable!

The Westward Mineral Show opens on Friday, February 6th and runs through Monday, February 9th. I hope to see you there!

Thanks again!

Kevin
