New auction specimens are now posted. We are trying something a little new this week. We have added more specimens, many of the them much higher in quality that what has normally been posted.

Starting bids range anywhere from \$3 - \$250. All of these starting bids are way below our retail price for the specimen, in almost all cases well below our cost. We think that you will find some real bargains!

As always, we welcome your comments and suggestions.

Dan & Diana Weinrich
