**Announcing the Grand Reopening of the Exceptional Mineral Rooms!**

The Exceptional Mineral Rooms haven't been online since November of last year when they were replaced by the Superior Auction Gallery. Today they make their exciting return with a new assortment of museum quality specimens organized into 11 new mineral rooms! This is just the beginning as many more will follow in the weeks and months ahead but it makes a great start!

**And just to make it an even BETTER start! For one week and one week only, all specimens in the Exceptional Rooms will be discounted up to 20% OFF the listed website prices!**

I counted 165 specimens in all and almost all will carry a 20% discount for the next seven days only as part of the Grand Reopening Special. The only specimens with a smaller discount are the few consignment pieces and even those will be discounted 10% to 15%! This offer will expire on April 23rd so don't miss out!

The link to the first of eleven Exceptional Mineral Rooms is located here!
