There are many specimens of top quality in this auction!

- * many fine thumbnails this week!
- * Gwindel smoky quartz from France
- * beautiful tourmaline from California, neatly bent and unusual
- * silver from Germany
- * pink fluorite from Switzerland
- * neat etched and showy fluorite on barite from Tennessee (ex Neely)

Plus many, many others. All of these at reserve prices at least 75% or more less than the regular retail price. True bargains are available!

We will be having another large update from the LaBerge collection sometime next week.
