Round 2 of the Summer Mineral Sale Begins Today!

In the first week, we sold dozens of mineral specimens from the website - almost all at half price! Today begins round 2 of the summer mineral sale with the introduction of four new Sale Rooms - rooms 19, 20, 21 and 22!

[Here's the starting link to all 22 Mineral Sale Rooms](#)

Remember - every mineral specimen in the Sale Rooms is 1/2 the listed website price! For example, a mineral priced at \$1000 online is now \$500. A specimen priced at \$450 online is now \$225. You can't beat these sale prices anywhere!

Also, as part of the month long sale, I will be discounting specimens in the other mineral rooms ([Exceptional Rooms](#), [Tucson](#) and [Denver Rooms](#)) and considering offers on any and all specimens. Layaways and large dealer orders are very welcome.

My goal is to find a new home for all mineral sale specimens. If you have any questions or offers, please [e-mail!](#)

Happy browsing!

Kevin
